For Your Information – July 21, 2014

Phyllis Lloyd marks 40 years of service – Our college's Registrar, **Phyllis Lloyd**, recently celebrated 40 years of serving our applicants, students, faculty, and staff. Ms. Lloyd was hired by the college's founding dean, **Tip Nelms**, a couple of years after the college was established as a separate academic unit at UAMS. True to form, Ms. Lloyd didn't want a big deal made of the anniversary, but she did go along with a small celebration by the dean's office staff on July 1. Congratulations, Ms. Lloyd. We're proud to have you as a committed, caring colleague.

Betholyn Gentry selected for national honor – **Betholyn Gentry**, professor in the Department of Audiology and Speech Pathology, was recently named a Fellow of the American Speech-Language-Hearing Association (ASHA). This is an honor that is reserved for only a few members of that association who are recognized for their leadership and contributions to the profession. Former faculty member **Richard Zraick** was also named a Fellow. Richard is now chair of the Department of Audiology and Speech Pathology at the University of Central Florida.
