PROFESSIONAL OBSERVATION VERIFICATION FORM

As part of the application process all applicants to the Diagnostic Medical Sonography Program are required to complete an observation of at least four (4) hours in the Diagnostic Sonography (ultrasound) area of a hospital or busy clinic. The observation session must be completed under the supervision of a sonographer credentialed with the American Registry for Diagnostic Medical Sonography (ARDMS) or a physician. The applicant should experience the typical environment that an entry-level sonographer will encounter; including abdominal, obstetrical and gynecological cases. Observations of cardiac and vascular sonography examinations are also encouraged. **Applicants must observe at least three of the following procedures in order to satisfy the observation requirement.**

Please check which procedures the applicant observed. Other procedures should also be listed.

_____ Abdominal  _____ Obstetrical  _____ Gynecological
_____ Vascular  _____ Cardiac
Other: _____________________________________________________

This is to verify that ___________________________________________ spent a total of _______ hours (4 Hours Minimum) in observation and discussion of the professional functions and responsibilities of a Diagnostic Sonographer on ____________ at _________________________________.
