For Your Information – February 5, 2016

Audiology and Speech Pathology faculty and students are on a winning streak

– Congratulations to several faculty members, students, and colleagues of the UAMS/UALR Department of Audiology and Speech Pathology, whose posters have been accepted for the American Academy of Audiology Convention and Exposition in Phoenix (April 13-16).

- **Atcherson, S.R., Tuscany, B., & Nicholson, N.** *Bone conduction auditory brainstem responses using a soft-band versus metal band* (poster)
- **Atcherson, S.R., Richesin, S., Sloan, L., Dornhoffer, J.L., & Franklin, J.L.** *Verification of a new auditory brainstem response screener in non-tumor patients* (poster)
- **Kolb, S., Atcherson, S.R., & Martin, P.F.** *Quality of life in adolescents with hearing aids, cochlear implants, & bone anchored hearing aids* (poster)
- **Wright, M., Weyrens, R., Huber, R., Nagaraj, N., & Atcherson, S.R.** *Relation among sensory gating, working memory, and speech perception in noise* (poster)

Timely Matters

March 7-8 – Inclement weather alternate date for College of Health Professions Phonathon

Sam Atcherson, associate professor in the department, has also been invited to speak at Hear for You, an international meeting in Toronto for audiologists, speech-language pathologists, auditory-verbal therapists, educators, and parents (April 22). His presentations – yes, two of them – are:

- *Silence of the Spheres: A Conversation about the Ear-Brain Connection and Related Disorders*
- *Body Language as a Form of Communication: A Worthwhile Skill?*

[Click here](#) to read abstracts of Sam's presentations and learn more about Hear for You.
