Associate dean publishes chapter in major textbook

– Be sure to ask **Susan Long**, associate dean for academic affairs, to show you her copy of the new textbook on dental hygiene practice that includes her chapter on the periodontal examination. The textbook, *Dental Hygiene: Applications to Clinical Practice*, was edited by Rachel Henry and Maria Perno Goldie, and published in 2016 by F.A. Davis (Philadelphia).

Susan began her tenure at UAMS in 1992 as an assistant professor in the Department of Dental Hygiene. She was promoted to associate professor with tenure in 1996 and professor in 2003. She was appointed chair of the department in 2004 and held that position until 2012 when she was selected for the associate dean position. Congratulations, Susan!

College receives \$25,000 from Chancellor's Circle

– We were pleased to get word that the College of Health Professions was selected for a \$25,000 grant from the UAMS Chancellor's Circle to support our efforts to launch a Doctor of Occupational Therapy program

in partnership with the University of Arkansas at Fayetteville. The grant, which was announced on February 11, was one of 13 awarded this year, selected from about 60 nominated programs and projects. We are fortunate to have been selected for Chancellor's Circle grants for three years in a row. Last year, we received \$25,000 for the Department of Physical Therapy and \$50,000 for the Center for Dental Education. And in 2014, Physical Therapy was awarded a grant for \$25,000.
