## For Your Information –

### **Sonography student wins national scholarship –**

Congratulations to **George Platt**, senior student in the Diagnostic Medical Sonography program, on being awarded the Alan D. Waggoner Sonographer Student Scholarship by the American Society for Echocardiography (ASE). George was selected for the award because of his “outstanding academic and personal accomplishments.” In addition to the cash award to help with tuition expenses, George has been invited to attend ASE’s 28<sup>th</sup> Annual Scientific Sessions, June 2-6 in Baltimore where he will be recognized along with other ASE awards winners.

It seems that our sonography program and students have something of national reputation! In 2016, our student **Beth Anderson** was selected for the Waggoner scholarship, and in 2015 **Hoa Gip** was selected.

### **Timely Matters**
