

Policy: Advanced Placement

Number: 01.00.09

Approval Date: Not Available

Revision Dates: November 30, 2017

Reviewed: October 28, 2021

Section: Academic Affairs

Area:

Subject: Advanced Placement

POLICY

While atypical, a department's admissions committee may recommend advanced placement upon consideration of an applicant's background and experience. Programs must consider requirements of their accrediting agency when making the determination if advanced placement is an option. Final approval is required from the Dean.

APPROVAL

Information about the original approval of this policy is not available.
