

UAMS COLLEGE OF
HEALTH PROFESSIONS
**MLT TO MLS BRIDGE PROGRAM
FOR MILITARY MLTs**

UAMS[®]

College of
Health Professions

Our Legacy:

The oldest laboratory training program in the United States!

Why UAMS:

- A 100 year history of excellence in laboratory training
- Personalized education and communication with faculty and staff
- Students in 100% online programs are charged the in-state tuition rate regardless of residency, and most University fees are charged at a 50% reduction.

UAMS[®]

College of
Health Professions

Our Promise:

- Unmatched Service
- 100% online
- Designed by military lab professionals
- PCS? TDY? Deployment? No problem, we will work with you.

UAMS[®]

College of
Health Professions

We value military lab professionals.

Why a Bachelor's Degree

- Additional career advancement opportunities
- Increased salary opportunities
- Preparation for graduate education

MLT to MLS for Military Video
