

**UNIVERSITY OF ARKANSAS FOR MEDICAL SCIENCES
DEPARTMENT OF AUDIOLOGY AND SPEECH PATHOLOGY**

**RETURNING APPLICANT APPLICATION FOR GRADUATE ASSISTANTSHIP
DOCTOR OF AUDIOLOGY PROGRAM**

Graduate assistants serve as clinic, teaching, research, and/or administrative assistants and must be enrolled in a full-time course of study (a minimum of 10 semester credits in the fall and spring semesters and at least seven (7) semester credits in the summer). Applicants must meet prerequisite requirements for regular, full-time admission to the Doctor of Audiology Program. Satisfactory academic performance must be maintained throughout the assistantship. For example, if a student earns a grade of "C" in any course, the graduate assistantship must be relinquished at the end of that semester.
