

# UAMS COLLEGE OF HEALTH PROFESSIONS

## RADIOLOGIC IMAGING SCIENCES

### Bachelor of Science in Radiologic Imaging Sciences

#### Why our program?

- Obtain hands-on clinical experience in radiologic technology as well as advanced imaging such as mammography, CT, MRI, vascular interventional radiography and cardiac interventional radiography
- Opportunity to obtain **two clinical credentials** upon graduation: Registered Technologist (R.T.) plus an advanced specialty (see choices above)
- Learn in a variety of diverse clinical settings including UAMS Medical Center, Arkansas Children’s Hospital, VA Hospital, and select area clinics
- Attend one of two program locations in Little Rock and Fayetteville (Northwest Campus)
  - Full time program; 6 semesters
  - March 1 early consideration deadline
  - May 1 application deadline

**Radiologic Imaging because...**  
*it's what's inside that counts!*

#### Prerequisites

Course	Semester Credits
English Composition I	3
English Composition II	3
Speech Communication	3
College Algebra (or higher level Mathematics)	3
Anatomy and Physiology I with laboratory	4
Anatomy and Physiology II with laboratory	4
Fine Arts	3
Humanities	3
History of the United States or National Government	3
Sociology	3
Psychology	3
<b>TOTAL</b>	<b>35</b>

#### Why a Bachelor’s Degree?

- Higher level of education that stands out when securing employment
- Potential higher lifetime and career earnings with career advancement
- Preparation for additional career opportunities within the health care industry, management and supervision, pharmaceutical sales, research, education, etc.

#### Why UAMS?

- Comprehensive education at the state’s only academic medical center and level I trauma center
- Interprofessional education training alongside students from all UAMS colleges: health professions, medicine, pharmacy, nursing, public health, and graduate school
- State of the art facilities
