UNIVERSITY OF ARKANSAS FOR MEDICAL SCIENCE
 COLLEGE OF HEALTH PROFESSIONS
 DENTAL HYGIENE PROGRAM
 (501) 686-5734

The following **University of Central Arkansas (UCA)** courses comprise the pre-professional curriculum required for entry into the dental hygiene program. Because requirements change periodically, please consult your advisor for updates. Admission requirements include, but are not limited to, completion of these program prerequisite courses. Completion of these courses does not, by itself, guarantee admission to the dental hygiene program. For complete information, consult the current course catalog of the UAMS College of Health Professions (CHP), UAMS CHP website (www.uams.edu/chp), and/or the department chairman listed above.

PROGRAM PREREQUISITES – 51 SC

The following courses or their equivalents are *prerequisites* for admission to the dental hygiene program and must be completed *prior to enrollment* in the dental hygiene program. For first consideration, all application materials should be received by March 1. All application materials should be received by June 1 to be considered for the regular's admission cycle. Late application may not be reviewed after this date. Beginning with the 2019 application cycle, students anticipating entering the program in the fall of 2019 will be required to submit their ACT scores as part of the application process. The optional writing test is not required. Official ACT scores documented on high school transcripts are acceptable. Please refer to act.org for information on registering for the test or obtaining scores. *Courses other than those listed below may not be accepted, so please call to inquire if deviating from the course list below.*
