The Ph.D. program is accepting applications for admission to the program for both full- and part-time students. Students may be admitted each semester. Once all of your materials have been received at their respective sites, the Ph.D. Admissions Committee will determine your application status and will contact you regarding a convenient time for an interview with the members of the committee.

**\*It is the applicant's responsibility to check that completed materials (e.g., applications, official transcripts, GRE scores, and letters of recommendation) have been received by the respective Graduate and Departmental offices.** For questions regarding UAMS application materials, please contact the Office of the University Registrar office at 501-526-5600.
