Number: 01.17.01

Approval Date: Not Available

Revision Dates: July 11, 2019

Review Dates: March 2023

Section: Academic Affairs

Area:

Subject: Psychological Evaluation and/or Counseling

POLICY

Department Chairs/Program Directors or the Dean's Office of the College of Health Professions may determine that a student should undergo psychological evaluation and/or counseling based on a student's behavior which indicates reasonable concern for the health and well-being of the student or other members of the university community that come in contact with the student. In the event that a student presents behaviors of concern to department chairs/program directors or members of the CHP Dean's Office, the student will be referred to the Student Wellness Program and expected to undergo the requested psychological evaluation and/or counseling. In the event that a student refuses to seek the evaluation or services required in a timely manner, emergency administrative action may be taken.
